WELCOME!

The Office of Public Instruction is pleased to disseminate the 1987-88 directory of Montana programs for gifted and talented students. This directory will give you the name of the program's contact person, address, phone number, and grade levels served.

Any school district wishing to learn more about a particular district's model for gifted and talented education should contact the individual school district listed.

This directory was produced by Nancy Lukenbill, Specialist, Gifted and Talented Programs, Montana Office of Public Instruction. Production assistance came from Lori Clark and Joyce Thompson. Cover and design by Ellen Meloy.
